BGLOBAL WINS CONTRACT TO SUPPLY SMART METERS TO BUSINESS ENERGY SOLUTIONS

Bglobal plc (AIM: BGBL), the leading UK smart metering and energy data company, has signed an agreement to deliver end-to-end smart metering services to new electricity supplier BES Commercial Electricity Limited. (“BES”).

Bglobal will supply, install and service its latest generation of smart electricity meters to BES’s business customers in the UK from May 2010 onwards. Bglobal will also supply BES with data collection and aggregation services.

BES has entered the electricity market to compliment its successful and established gas supply business enabling it to provide both electricity and gas to its customer base, maximising the use of its existing resources.

Phil Brown, General Manager of BES, said: “We have chosen Bglobal because they deliver a competitive market leading solution across the whole of the UK.”

Tony Barnes, Chief Executive of Bglobal said: “We are very pleased to have signed up the latest entrant into the UK electricity market and look forward to supporting BES in their expansion plans.”
