BGLOBAL WINS GAZPROM CONTRACT

Bglobal plc (AIM: BGBL), the leading smart metering and energy data services company, has signed an agreement to deliver smart metering services to Gazprom Marketing & Trading Retail Limited ("GM&TR"), the UK retail arm of the Russian energy company Gazprom.

The contract will see Bglobal supply and install its latest generation of smart electricity meters to GM&TR's growing base of UK business customers.

Tony Barnes, Chief Executive of Bglobal said: "We are delighted to be working with another industry leader in the energy market and look forward to supporting GM&TR as they work to establish their presence in the UK."

James Constant, Head of Power at Gazprom Marketing & Trading Retail Limited said: "Working with BGlobal further underlines our commitment to equip all our customers with smart metering and to provide them with the proven cost, service and energy management benefits that our product brings"
