BGLOBAL WINS CONTRACT TO SUPPLY SMART METERS TO MA ENERGY LIMITED

Bglobal plc (AIM: BGBL), the leading UK smart metering and energy data company, is pleased to announce that it has signed an agreement to deliver smart metering services to new electricity market entrant MA Energy Limited ("MA Energy").

Bglobal will supply, install and service its latest generation of smart electricity meters to MA Energy's business customers in the UK from April 2010 onwards. Bglobal will also supply data collection and analysis services and its web-based energy management software platform.

Gurdeet Bansal, Managing Director of MA Energy said: "Bglobal is the UK market leader in the smart metering world. Taking this into account, it was very easy to choose them as our main smart metering partner for all our business customers."

Tony Barnes, Chief Executive of Bglobal said: "We are extremely pleased that Bglobal's market leading service is fast becoming the obvious choice for new energy suppliers. We look forward to working closely with MA Energy, who are the third consecutive new market entrant to choose Bglobal, in order to help them provide the best possible service to their clients."
